Wood River Pipe Lines, LLC. ("Applicant" or "Wood River"), a Delaware limited liability company, seeks authority pursuant to Section 15-401 of the Act for a Certificate in Good Standing authorizing Wood River to operate as a common carrier by pipeline in Illinois. Wood River Pipe Lines, intend to transport refined petroleum products specifically gasoline, diesel fuel, and jet turbine fuel. Wood River's pipeline assets were previously owned by Shell Oil Products US. Applicant demonstrated that it has the necessary technical, financial, and managerial resources to provide the requested common carrier pipeline services in Illinois. Staff for the Illinois Commerce Commission has testified that Applicant has complied with and satisfied all requisite mandates for such service.

Accordingly, we recommend that the Commission enter the attached Order granting Applicant the requested authority.
